About This Resource

This resource is a set of alphabet flashcards in black and white so that a child can color them. You can also print these as posters to display on the wall after your child colors them.

This Printable Includes:

- 26 printable letter cards/posters.

To Use:

1. Print using printer settings (2 per page or 4 per page) on white cardstock to use as flashcards. Child can color them, and then if you wish, you can laminate for durability.
2. Print at 100% on white cardstock to use as posters. Have child color them for display.
3. Print and bind or staple the pages together to use as a coloring book.

Read about using flashcards to teach the alphabet [here](#).
