Instructions for use:

Thank you for downloading this freebie! I use these mini posters in several different ways. I laminate them and put them in my writing centers for students to refer to. In primary grades, we use the format J'aime . . . plus the card. With older grades/core French classes, students can conjugate the verb and use the cards as a reference. I also use my printer controls to print the cards four to a sheet). I cut them out and laminate two sets for students to play memory match games or Go Fish! I also have students draw a card and act it out for a fun game of Charades! The possibilities are endless! Enjoy this freebie.

For additional practice using this vocabulary, please take a look at my emergent reader:

Where I live in Ontario, we love to toboggan. In other parts of the world it has other names! Here is an alternate card in case you prefer faire de la luge.
